Principal's Report

Thank you to everyone who attended our Term 3 Assembly and congratulations to all our amazing award recipients.

Well done to Patrick, Charles, George, Ella, Beccy, and Seanna for their outstanding participation in the WSSA Athletics Carnival. Each student showcased immense determination and resilience while representing Nyngbar, achieving impressive results. A special congratulations to our senior relay team, Patrick, Charles, George, and Ella, who secured second place in the N&E Austen Relay. They will be heading to Homebush early next term to compete at the PSSA State Carnival.

Congratulations to Isla Jackson who was successful in her application to enrol in Aurora College's Aboriginal High Potential and Gifted Students program, the Young and Deadly Mob after being selected to apply.

Our Kinderstart transition program will commence on the the first day back for Term 4, Monday 14th October, and will continue to run every fortnight for the entirety of Term 4. Please see page 4 for futher details and don't hesitate to contact the school if you have any questions.

Year 6-7 High School Transition will take place at Nyngan High School in Term 4.

Transition dates are:

Week 2 - Friday, 25 October

Week 3 - Friday, 1 November

Week 6 - Friday, 22 November (unable to attend)

Week 7 - Friday, 29 November

Thank you to everyone who attended the P&C meeting yesterday, it was great to have almost every family in attendance. As discussed at this meeting, with the contribution from the P&C, our Canberra excursion will be heavily subsidised this year lowering the cost to \$50 per student. Excursion details and permission note will be sent out early next term.

We also discussed the possibility of starting an Out of School Hours Care program to assist parents with variations to school drop off and pick up schedules. This was met with mixed feelings, but I will continue to look into the guidelines to provide you all with an accurate outline of the program for you to make an informed decision. I would like to remind all parents that students are not to arrive at school until playground supervision commences at 8.30am and arrangements are made for students to safely and promptly leave the school grounds at 3pm when dismissed.

This Friday marks the final day of Term 3. I wish everyone an enjoyable school holiday, and I look forward seeing you all return on Monday, 14th October, for Term 4.

Kindest regards,

Rebekah Harris

If you are interested in sending your child to your local school please read the information below and contact the school for an enrolment package. If your child is already enrolled in our preschool program, there is no need to re-enrol.

This will be a 5 week program where children will be required to attend school for a full day every second Monday. This is designed to expose new students to the school routines and to get to know other students and staff before they commence school full time.

School Transition session dates are as follows:

Monday, 14 October

GIRILAMBONE PUBLIC SCHOOL

Towards a better world

18 September, 2024

Dear Students,

Please immediately update your social media account emails

The NSW Department of Education is making an important change to help keep our students safe online, reduce the risk of cyber threats and make sure your student email accounts are used for their intended educational purposes only.

What's happening

Starting Day 1 Term 4, you won't be able to use your student email address to sign up for, or recover access to any social media, gaming, instant messaging or similar accounts.

What you need to do

If you have signed up for a social media, gaming, instant messaging or similar account using your student email address, please change to a personal email address on each platform by Sunday 13 October to make sure you don't lose access to the account. Here's how:

1. Log in to each account.
2. Go to the account settings and update your email address to a personal one. Add a mobile number too, if you haven't already.

Why this is happening

The department is making this change to ensure all student accounts are being used for their educational purposes, and to help protect you from risks online. Using your personal email address for these platforms instead of your student email address reduces the chances of someone gaining access to information in your school account.

Kind Regards,

Rebekah Harris
